

Judge Edwards General's School  
Charlottesville, Va.

Dear Dr. Houston,

This is just  
a note to thank you for  
taking the time to talk  
to me last Friday.

I would also like to  
say that in the event that  
you found that my transfer  
to C.I.A. was practicable  
you need have no worries  
that I would consider it  
a temporary job. I could  
be glad to remain a  
considerable time.

Charlottesville looks as

attractive as ever, although  
I must say that being here  
in the Army is quite  
different from being here as  
a civilian law student. I'm  
sure you will know what  
I mean!

Thank you again for  
your courteous interest in  
my situation.

Sincerely,

A large black rectangular redaction box covering a signature.
